Upscale your exam scores: *It's easy.*

1. Meet with me individually and sign up for upscale option (contract)
2. Do assigned "Upscale" part of the assigned homework.
3. Keep all upscale homework together in an organized way so that I can go through it at any given time. (expect me to check it at each test)
4. There will be times when your lives get hectic. I understand you have other classes & responsibilities. Therefore, I will accept 90% mastery of problems.
5. You must attend at least 2 office hour sessions and attend at least 90% of classes (lectures and labs)
6. At the end of the quarter your tests will be weighted to your advantage: your test with the highest score will be 25% of semester grade, and your other one 15%

I understand that I must work 90% of the upscale homework and keep all of my assignment sheets and homework together in a binder, which can be easily accessible by the instructor, Greg Lowe. I also understand that HW checks will be during exams. If I follow steps 1-5 above, then my test scores will be weighted according to #6 above.
